

BERTELSMANN

UNTER DEN LINDEN 1

Traveling by car

A 2 from Hanover; A 9 from Leipzig/Nurnberg

- At the Dreieck Werder intersection (A 9) or Dreieck Potsdam intersection (A 2) turn onto the A 10 towards Berlin-Zentrum;
- Turn off at the Dreieck Nuthetal intersection onto the A115 towards Berlin-Zentrum (Zoo)/Berlin-Zehlendorf/Potsdam-Zentrum;
- At the Dreieck Funkturm exit, get onto the A100 towards Hamburg/Wedding;
- Keep left on the A100 and continue straight towards Wedding;
- The highway turns into Seestraße. Follow this road until Müllerstraße and turn right into this street;
- Müllerstraße becomes Chausseestraße and then Friedrichstraße. Turn left at the intersection with Unter den Linden;
- Unter den Linden 1 is the last building on the right before the Schlossbrücke bridge.

Alternative:

- Turn off at the Dreieck Werder intersection (A 9) or Dreieck Potsdam intersection (A 2) onto the A 10 Towards Berlin-Zentrum;
- At the Dreieck Nuthetal exit, stay on the A115 towards Berlin-Zentrum (Zoo)/Berlin-Zehlendorf/Potsdam-Zentrum;
- At the Dreieck Funkturm exit, get onto the A100 towards Hamburg/Wedding;
- Turn off at the Kaiserdamm exit, follow the signs towards Kaiserdamm, turn left on Kaiserdamm (B 2/B 5);
- Take the B 2/B 5 straight to the Brandenburg Gate, turn right into Ebertstraße;
- Turn left into Behrenstrasse;
- Turn left into Friedrichstraße
- Turn right onto Unter den Linden boulevard;
- Unter den Linden 1 is the last building on the right before the Schlossbrücke bridge.

NB: Option 1 is easier as you just follow the highway (A100) straight, turn right once (onto Müllerstraße), and continue driving straight all the way to Unter den Linden. However, there are a lot of traffic lights on this stretch, so option 2 may be quicker.
